Brakel celebrates !

...please join us!

Traditional village and town festivals, the unique „Schützen-feste“ (German marksmen festivals) of our region as well as the St. Nicholas market in the Advent season are lively joyous social events. Every first weekend in August, there is the famous „Annentag“ festival, one of the largest parish fairs between the Egge region and the river Weser, which is a most popular crowd puller and attracts visitors both young and old!

Creative !

Bellersen

...your hospitable and recreative village!

Pure nature - bees humming, wild horses galloping across the meadows. Discover your own creativity in the handiwork house and on the creative farm.

Relax in family-friendly lodgings or in the caravan park.

Nothing but recreation: on the "experience-the-senses path", in the old bakehouse, in the unspoilt nature...!

relaxes !

Gehrden

...without barriers!

Let yourself get pampered in our exquisite accommodations, where wellness, great restaurants, choice nature and culture await you.

Rejoice in the monastery with its beautiful garden and the 500-year-old Apostle Lime tree.

Take a walk on the barrier-free paths or enjoy the concerts in the monastery church or in the orangery of the castle park!

...you naturally!

The ten-metre high living willow construction "Weidenpalais" and the nature trail "Wasserwelten" (water worlds) invite the visitor to linger. Stroll through the garden of the baroque castle. The outer ward houses a Hussar museum and a brewery with more than 320 years of brewing tradition. Art works line the paths of the English countryside park!
